TRAINING & PLACEMENT CELL

Fuelled & driven by the SITE Foundation's philosophy, the myriad training programs carried out at the Institute, closely takes into account the Foundation's keenness & commitment towards industry interaction and exposure to the entrant is shaped and attuned to imbibe the pre-requisites of the professional world, right from the First Semester.

In-house training is emphasized by the Institute at every level, and it picks - up momentum by the time a student reaches the sixth semester.

The employability status of a student is of paramount concern for the Institute whilst enhancing and honing the technical skills and soft skills of the students.

The summer training module, which is a part of the curriculum guideline of Rajasthan Technical University, is also taken as a nurturing venture by the Institute whereby the Training and Placement Cell at the Institute keeps a track of the student's disposition during the stipulated slot of summer training.

The placements of the first graduated batch of SITE got off to a great start, with many prestigious companies and getting 2.5 to 5.0 Lac of package.
